BELOW YOU WILL FIND PARTY IDEAS THAT WE WILL CARRY THROUGH FOR YOU INTO YOUR FUNCTION: THEMED MENU, DÉCOR, LINEN, ATMOSPHERIC LIGHTING, THEMED MUSIC, DJ OR LIVE BAND AND DANCE FLOOR AREA.

WE CAN DO JUST ABOUT ANYTHING ... BUT HERE ARE A FEW SUGGESTIONS!

You just need to provide us with your details on budget per guest, number of guests, theme choice and date and time of function. We will then revert back to you with ideas tailored just for your specific needs that we can implement regarding your appropriate budget. A Theme Party can have an extravagant budget or a very conservative budget. We can achieve pleasing results for you from **R2650.00** per theme upwards, with obviously your Venue, Meals and Beverages over and above this. Naturally the bigger the venue/number of guests the budget goes up. Give us your spec/budget and we will advise you what we can do for you.

If you do not want to involve your guests in dressing up, or feeling that they are obliged to, you can choose a theme like a "A Shipwrecked Party". Here you include on the invitation that they need to come dressed the way they were when the Ship sank. So they could have been in their jeans, pyjamas, evening dress, costume, - or anything when the Ship went down ... it is basically an invitation to come dressed any way you want to! So those who like to dress up - can, and those don't - don't... yet everyone still feels totally part of the evening. Other themes like "Out of Africa" and "Seafood Extravaganza" are also more décor, menu, setting and ambience orientated than dressing up.
